Total	19

Critical Issues

C-01 · 7 form inputs without labels (WCAG 1.3.1, 3.3.2)

Category: Accessibility

Evidence:

```
[{'type': 'text', 'name': '', 'placeholder': 'Type here (e.g. Carrot, Beetroot, Coffee...)'}, {'type': 'select-
```

Fix: Add or aria-label to every input, textarea and select.

High Issues

H-01 · No skip-to-main-content link (WCAG 2.4.1)

Category: Accessibility

Fix: Add [Skip to main content](#) as the first element in .

H-02 · No landmark (WCAG 1.3.6)

Category: Accessibility

Fix: Wrap primary content in

H-03 · 42 color contrast failures (WCAG 1.4.3)

Category: Accessibility

Evidence:

```
Worst: SPAN – ratio 1:1 (need 4.5:1)
```

Fix: Darken text or lighten background until contrast $\geq 4.5:1$ (3:1 for large text). Replace text-slate-400 / text-gray-400 on white with slate-600+.

H-04 · 1 security headers absent

Category: Security

Evidence:

```
referrer-policy: Referrer-Policy missing
```

Fix: Set headers in vercel.json / nginx / server middleware.

H-05 · 10 touch targets smaller than 44×44px (WCAG 2.5.5)

Category: Accessibility/Mobile

Evidence:

```
[{'el': 'BUTTON close', 'w': 28, 'h': 34}, {'el': 'BUTTON Browse shop', 'w': 138, 'h': 35}, {'el': 'BUTTON Cont
```

Fix: Set min-height:44px; min-width:44px; padding on small buttons and links.

H-06 · Console error: Failed to load resource: the server responded with a status of 404 ()

Category: JavaScript

Evidence:

```
Page: https://carromel.com/this-page-should-not-exist-xyz-999
Message: Failed to load resource: the server responded with a status of 404 ()
```

Fix: Investigate and fix the JavaScript error — silent JS failures can break features.

H-07 · Console error: Unsafe attempt to load URL https://cdn.shopify.com/shopifycloud/customer-authentication-web/producti

Category: JavaScript

Evidence:

```
Page: https://shopify.com/authentication/99363619102/login?client_id=c281e358-d13a-4c06-a5b7-6efa65010f25&local
Message: Unsafe attempt to load URL https://cdn.shopify.com/shopifycloud/customer-authentication-web/production
```

Fix: Investigate and fix the JavaScript error — silent JS failures can break features.

H-08 · Failed request: https://carromel.com/api/collect

Category: Network

Evidence:

```
Failure: net::ERR_ABORTED
```

Fix: Fix or remove the failing resource reference.

H-09 · Failed request: https://carromel.com/.well-known/shopify/monorail/unstable/produce_batch

Category: Network

Evidence:

```
Failure: net::ERR_ABORTED
```

Fix: Fix or remove the failing resource reference.

Medium Issues

M-01 · Missing meta description

Category: SEO

Fix: Add (120–160 chars).

M-02 · Heading hierarchy skip(s) detected (WCAG 1.3.1)

Category: Accessibility

Evidence:

```
['H2 → H4: "Certified Organic Ingredients"']
```

Fix: Headings must be sequential (H1 → H2 → H3). Use CSS classes for visual sizing, not heading levels.

M-03 · 15 images served larger than their display size

Category: Performance

Evidence:

```
[{'src': 'carramel_Logo_updated-Photoroom_1.png?v=1779683217', 'nat': 300, 'disp': 85}, {'src': 'remove_backgro
```

Fix: Use srcset / responsive image transforms (e.g. Cloudinary: f_auto,q_auto,w_800).

M-04 · No Privacy Policy link in footer

Category: Legal/Trust

Fix: Create /privacy-policy page and add link to footer (required by GDPR/CCPA).

M-05 · 5 text elements below 14px on mobile

Category: Accessibility/Mobile

Evidence:

```
[{'tag': 'SPAN', 'size': 11, 'text': '0'}, {'tag': 'P', 'size': 12, 'text': 'Add some premium handcrafted c'},
```

Fix: Set minimum font-size: 14px for all body text on mobile.

Low Issues

L-01 · No favicon found

Category: Branding

Fix: Add /public/favicon.ico and .

L-02 · No JSON-LD structured data

Category: SEO

Fix: Add Organization / LocalBusiness schema for rich search results.

L-03 · No Terms of Service link in footer

Category: Legal/Trust

Fix: Create /terms page and add link to footer.

Info Issues

I-01 · No forms found on this page.

Category: Forms

Prioritized Action Plan

This Week (Critical — fix immediately)

1. **7 form inputs without labels (WCAG 1.3.1, 3.3.2)** — Add or aria-label to every input, textarea and select

Next 2 Weeks (High)

1. **No skip-to-main-content link (WCAG 2.4.1)** — Add [Skip to main content](#) as the first element in
2. **No landmark (WCAG 1.3.6)** — Wrap primary content in
3. **42 color contrast failures (WCAG 1.4.3)** — Darken text or lighten background until contrast ≥ 4
4. **1 security headers absent** — Set headers in vercel
5. **10 touch targets smaller than 44×44px (WCAG 2.5.5)** — Set min-height:44px; min-width:44px; padding on small buttons and links
6. **Console error: Failed to load resource: the server responded with a status of 404 ()** — Investigate and fix the JavaScript error — silent JS failures can break features
7. **Console error: Unsafe attempt to load URL https://cdn.shopify.com/shopifycloud/customer-authentication-web/producti** — Investigate and fix the JavaScript error — silent JS failures can break features
8. **Failed request: https://carromel.com/api/collect** — Fix or remove the failing resource reference
9. **Failed request: https://carromel.com/.well-known/shopify/monorail/unstable/produce_batch** — Fix or remove the failing resource reference

Month 1 (Medium / Low)

- **Missing meta description** — Add <meta name='description' content='
- **Heading hierarchy skip(s) detected (WCAG 1.3.1)** — Headings must be sequential (H1 → H2 → H3)
- **15 images served larger than their display size** — Use srcset / responsive image transforms (e
- **No Privacy Policy link in footer** — Create /privacy-policy page and add link to footer (required by GDPR/CCPA)
- **5 text elements below 14px on mobile** — Set minimum font-size: 14px for all body text on mobile
- **No favicon found** — Add /public/favicon
- **No JSON-LD structured data** — Add Organization / LocalBusiness schema for rich search results
- **No Terms of Service link in footer** — Create /terms page and add link to footer
